Miss & Mr. Poppy

Prior to the Village of Cuyahoga Heights' council meeting on May 8, I had the honor of introducing American Legion Post 627 Miss Poppy, Vivian Fortuna and Mr. Poppy Daniel Fortuna. Both siblings attend St. Columbkille school and all four of their great-grandfathers served in the United States military.

Mind Challenge

Once again, a group of our senior citizens formed a team to play against other senior citizens in the "2024 Mind Challenge Program." Our group was part of the Southwest Region—Cuyahoga Heights Subregion. The teams in our region consisted of the communities of Brooklyn Heights, Independence—with three teams, Seven Hills, Valley View and of course, Cuyahoga Heights. Our subregion group started the event on Monday, April 22 and their last challenge was Monday, May 6. Unfortunately, our seniors didn't place for the next round of competition; but they had fun trying and most definitely will be back to compete in 2025. Our seniors hosted the event this year at Klima Gardens, and from what we heard, everyone enjoyed the facility. Pictured from left to right: Norman Merhaut, Diane Leciejewski, Barbara Bartczak, Robyn Nobili, Dolores Len, Noel and Rick Centa.

For those that don't know, the Mind Challenge Program is a trivia game for active seniors modeled after the popular NCAA Basketball Tournament. A trivia host conducts the tournament where teams compete to advance to each of 6 rounds of competition. 2024 marked the sixth year of the challenge with 66 cities and over 700 participants who compete for cash prizes for their senior municipal centers.

River Sweep

Thank you to Council President Renato Contipelli for assisting with the Canal RiverSweep last month. There were about 60 volunteers that turned out to help pick up trash and debris along Millcreek in Bacci Park. Also, thank you to councilmen Dave Volek and Rick Centa, Park Patrol Tony Casavecchia, Concession Stand Manager Kelly Hartman, Recreation Coordinator Vera Heinzman, Service Director Dave Sammons, members from Cub Scout Pack #28, CHPD and to all other volunteers who helped out!

Class of 2024

Best wishes and congratulations to the students of the Cuyahoga Heights High School Class of 2024 who graduated on Sunday, May 26. Village resident students are Nadia Allen, Jaidenn Artino, Jayden Koloini-Hunter, Zachary Caleris, Angelena Mallos, Maximus Tritsarolis and Marissa Ulery. "As you now go out into the world, remember to connect life to what you have learned. Embrace new questions, respect old wisdom, and never let go of your dream."

From Mayor Bacci's Desk (continued)

Concession Stand

The concession stand officially opened for the season this past Tuesday. Hours of operation are Monday through Friday from 9:30 a.m.-8:30 p.m. and Saturdays and Sundays from 9:30 a.m. – 5:30 p.m. Food trucks kick off in June from 4:00-7:00 p.m.: June 4 – Off the Griddle; June 13 – Cheesy Dave's & CLE Cookie Dough; June 20 – Babcia's Kitchen; June 27 – Hambones BBQ. Garage Sale

Wednesday, June 12 is your last chance to register for the village wide garage sale which takes place on Saturday, June 29 from 8:00 a.m. until 3:00 p.m. Contact the village hall during normal business hours to sign up.

Shred Day

Our annual shred day is set for Saturday, July 13 at Gateway Products Recycling 4223 East 49th Street from 9:00-11:00 a.m. Please note that we will have a service department employee on site to assist you with your bags/boxes of shredding material.

West Side Market

Several of our residents asked if we would bring back the bus trips to the West Side Market—with that being said, our first trip is scheduled for Saturday, August 3. As in past practice, trips will be scheduled for the first Saturday of the month. The village van will pick up residents at their home beginning at 7:45 a.m. (the market opens at 8:00 a.m.) and shoppers will have a couple of hours to enjoy all the market has to offer. The van will then depart the market around 10:15 a.m. to bring you back to your residence. Residents must register by calling the Village Hall no later than 3:00 p.m. on Friday, the day before the trip. Please also note that children 15 years of age and younger must be accompanied by an adult.

Kelleys Island

My annual trip to Kelleys Island with our village resident senior citizens (60 years of age and older) takes place on Monday, August 26. If you're not a member of our senior citizens organization and haven't signed up for the trip at their monthly meeting, you can contact Lee Ann at the village hall during normal business hours for further information. Deadline to register is Monday, August 5.

Congratulations

Village residents Drake and Kristin Brauer welcomed their third child on May 1. Hannah Marie was born at 12:17 p.m. and weighed 9.9-lbs; 21.5-inches long. Mom and baby are doing well! "Congratulations on expanding your family and welcoming even more love into your lives!"

In Memory

Sadly as everyone knows, former village resident and Euclid police officer Jacob Derbin was killed in the line of duty on Saturday evening, May 11. Jacob was the son of village resident Vince Trusso and Brooklyn Heights resident Dawn Derbin. Nephew of village residents Frank and Gina Trusso and grandson of village resident Mrs. Jean DellAnno. He was a graduate of the Cuyahoga Heights High School Class of 2018.

Jacob followed in the footsteps like his father and uncle—both men served our country enlisting in the Marines. Jacob enlisted in the United States Army's National Guard in 2018 and served a tour of duty in Kuwait. In July of 2023 he became a police officer with the Euclid Police Department—the same department where his father works. Many of us know Jacob, not only because he was Vince's son and lived within the community, but he also worked for our village on a seasonal basis—at the pool during the summer and later at the service department. In fact, he played Santa in 2017 for the Christmas in July party at the pool. Jacob really got into his part as Santa and had so much fun with the little ones! We went through our photo archives and found several with Jacob during that event. The funniest picture was his “fake” tattoo on his forearm, written in red—“Mrs. Claus was here.” From all that knew him, Jacob was a fun-loving guy, and you can see it in the pictures, especially the one with Louie Bacci.

At this time, I want to take a moment and reflect on the speech I gave this past Monday for Jacob—as so many people have asked that we share it for those that were unable to attend Monday's ceremony.

“We are the home of the free, because of the brave. The weather earlier today truly matches the mood of our communities over the past two weeks or so. If I had to guess, 99% of those in attendance here today could NOT say that they knew someone that made the ultimate sacrifice while serving in the United States Military; but now, 100% of us can at least begin to RESPECT the pain the families, their friends, and communities go through when someone makes the ultimate sacrifice.”

From Mayor Bacci's Desk (continued)

Our very own Jacob Derbin served our country in the United States Army's National Guard, and did so with honor, pride and dignity. That honor to serve our country came from his incredible RESPECT for peacekeepers. Like his late grandfather Dennis Derbin who served in the Army and was a police officer; his father Vince who served as a Marine and currently employed as a police officer; his Uncle Frank, another Marine veteran and police officer for our town, and so many more.

And although Jacob will be recognized each and every year on Police Officers Memorial Day, every May 15 (not taking away from what today is all about); Euclid Police Officer Jacob Derbin at 23 years of age made the ultimate sacrifice as a peacekeeper.

I want everyone here, especially our young people, to think of Jacob every time they hear those words moving forward. He made the final, supreme, and ultimate sacrifice—meaning...to die while fighting for a principle, protecting others.

I mentioned Jacob's incredible RESPECT for peacekeepers—to that, sadly, our nation continues to lose respect for our peacekeepers, and those that defend our freedoms, and others either take what they do for granted or simply don't even recognize them all together. These are the same people that don't respect themselves, nor do they have any respect for others, let alone those that have made the ultimate sacrifice.

Friends and neighbors, this must change— noting we as a small community showed over the past several weeks that we do RESPECT, and we will continue to RESPECT and appreciate all the men and women protecting us. But mark my words, if our defenders are forgotten, so will each and every man and woman that gave their lives for the very flag that flies before us. If we forget, if we stop appreciating them, they will no longer want to stand between you and the evil that is among us. Oliver Wendell Holmes said, 'one flag, one land, one heart, one hand, one nation evermore.'

There is only one American Flag and under that flag, we are the home of the free, because of the BRAVE, and may their courage and sacrifice inspire us to live with more purpose and gratitude. And I pray that the rest of your day is filled with RESPECT and appreciation for our heroes—like our beloved Jacob Derbin, may he and all the others never be forgotten.”

In the upcoming days, months, and even years, please keep the Derbin and Trusso families in your thoughts and prayers. God Bless!

A MESSAGE FROM POLICE CHIEF, BRIAN STURGILL

June is National **Post-Traumatic Stress Disorder (PTSD)** Awareness Month and is intended to raise public awareness about issues related to **PTSD**, reduce the stigma associated with **PTSD**, and help ensure that those suffering from the invisible wounds or traumatic events receive proper treatment. Even though **PTSD** treatments work, most people who have **PTSD** don't get the help they need.

What is PTSD?

PTSD, or **Post-traumatic Stress Disorder**, is an anxiety disorder that some people (children included) develop after seeing or living through an event that caused or threatened serious harm or death. **PTSD** may result in sleep problems, irritability, anger, recurrent dreams about the trauma, intense reactions to reminders of the trauma, disturbances in relationships, and isolation. Some people may recover a few months after the event, but for others it may take years. For some, **PTSD** may begin long after the events occur. **PTSD** is very common, and treatment is available. Treatment includes different types of trauma-focused psychotherapy as well as medications to manage symptoms.

What Are the Symptoms of PTSD?

PTSD symptoms usually start soon after the traumatic event, but they may not appear until months or years later. They also may come and go over many years. If the symptoms last longer than four weeks, cause you great distress, or interfere with your work or home life, you might have **PTSD**.

There are 4 main types of PTSD symptoms, but they may not be exactly the same for everyone. Each person experiences symptoms in their own way:

1. Reliving the event (also called re-experiencing symptoms)

Memories of the traumatic event can come back at any time. They can feel very real and scary.

For example, persons may :

- have nightmares
- feel like they are going through the event again (a flashback)
- see, hear, or smell something that causes you to relive the event. This is called a trigger. news reports, seeing an accident, or hearing fireworks are examples of triggers

A MESSAGE FROM POLICE CHIEF, BRIAN STURGILL

“Trauma is not defined by how 'big' an event is. You don't define trauma; your brain does it for you and you can't control how it gets processed.”
-Jennica Leather-

JUNE IS NATIONAL PTSD AWARENESS MONTH

2. Avoiding things that remind you of the event

You may try to avoid situations or people remind you of the trauma event. You may even avoid talking or thinking about the event. For example, persons may:

- avoid crowds because they feel dangerous
- avoid driving if you were in a car accident or if your military convoy was bombed
- keep very busy or avoid getting help so you don't have to think or talk about the event

3. Having more negative thoughts and feelings than before the event

The way a person thinks about themselves and/or others may become more negative because of the trauma. For example, persons may:

- feel numb—unable to have positive or loving feelings toward other people—and lose interest in things previously enjoyed
- may forget about parts of the traumatic event or not be able to talk about them
- think the world is completely dangerous and that no one can be trusted.
- feel guilt or shame about the event and may wish more had been done to keep it from happening

4. Feeling on edge or keyed up (also called hyperarousal)

You may be jittery, or always alert and on the lookout for danger. You might suddenly become angry or irritable. For example, persons may:

- have a hard time sleeping
- find it hard to concentrate
- be startled by a loud noise or surprise
- act in unhealthy ways, like smoking, abusing drugs or alcohol, or driving aggressively

A MESSAGE FROM YOUR FIRE CHIEF, MIKE SUHY

From all of us, we hope everyone had a safe and Happy Memorial Day.

It is an important time to remember all those Americans who have fought to keep this country safe and free.

*It is a day to honor and respect the armed forces, those who have already sacrificed,
and those who continue to serve our country still today.*

On Thursday, May 9, The Cuyahoga Heights Fire and Police Departments teamed up with Cuyahoga Heights Schools, Brooklyn Heights Fire and Police Departments, along with Valley View Fire and Police Departments to do a mock car accident. This drill is done for the senior classes before prom and graduation. The drill is used not only for the training of the participating departments but more importantly to show the students the consequences of drinking and driving, and texting and driving.

We hope the program impacts every student as they continue through high school and after graduation and we wish the best to the class of 2024!

A Message From your CFO, Angel Meriwether
