

A Message From Your Fire Chief, *Mike Suhy*

We hope everyone had a healthy and happy holiday season!

Our department rung in the season and celebrated with several of our retirees. It was great to come together and reminisce with so many, including Assistant Chief Ron Henry, Assistant Chief Howard Selig, Captain Ed Rudd, Captain Patrick Koran, Lt. Dennis Suhy, Lt. Don Pallini, FF Pete Panizzutti, FF Rick Bacci, and FF Mike Chase.

Put a

FREEZE

on Winter Fires

Home fires occur more in winter than in any other season. As you stay cozy and warm this winter, be fire smart!

Half of all home heating fires occur in December, January and February.

Heating equipment is involved in **1 in every 6** home fires and **1 in every 5** home fire deaths.

Keep anything that can burn **at least 3 feet** from any heat source like fireplaces, wood stoves, radiators or space heaters.

Keep portable generators **outside, away from windows, and as far away** from your home as possible.

Install and test carbon monoxide alarms **at least once a month**.

Plug only **1 heat-producing appliance** (like a space heater) into an electrical outlet at a time.

Have a qualified professional clean and inspect your chimney and vents **every year**.

Store cooled ashes in a tightly covered metal container, and keep it **outside at least 10 feet** from your home and any nearby buildings.

For more information on how to prevent winter fires, visit usfa.fema.gov/winter and nfpa.org/winter.
