

A Message From your CFO, Angel Meriwether

As we kick off 2025, don't forget to update your employer, previous employers, retirement benefit companies and taxing agencies with any changes to your address, marital status, beneficiaries, email address and phone number! This will assist you with your preparation of tax documents as tax season is now upon us!

If you are new to the community or online system for RITA Taxing Agency, It is your responsibility to keep your primary email address up to date so that RITA can communicate with you electronically. You understand and agree that if RITA sends you an electronic communication, but you do not receive it because your primary email address on file is incorrect, out of date, blocked by your service provider, or you are otherwise unable to receive electronic communications, RITA will be deemed to have provided the communication to you.

Please note that if you use a spam filter that blocks or re-routes emails from senders not listed in your email address book, you must add RITA to your email address book so that you will be able to receive the communications we send to you.

You can update your primary email address or street address at any time by accessing RITA's website www.ritaohio.com and logging into "My Account".
